

# Frequency Monitoring Document

Frequency monitoring is used to document the effects of an intervention on a target behavior.

**Name of Student:** Terry T.

**Target Behavior** (operational definition): Derogatory comment to a peer (stupid, nerd, ...)

Type of **Activity** or **Time** when Behavior is Most Likely to Occur (this determines the monitoring period for data collection): Group work in Reading and Social Studies

Type of **Time-Out** Being Applied: Time-out chair

## FREQUENCY MONITORING DATA

(Place a tally mark in the appropriate box each time the target behavior occurs.)

Class/Time Period	M 5/1	T 5/2	W 5/3	Th 5/4	F 5/5	M 5/8	T 5/9	W 5/10	TH 5/11	F 5/12
Reading 9:05-9:50	IIII II	IIII	IIII I	III	II	III	I	I	0	0
Social Studies 1:00-1:45	IIII	IIII I	II II	II	I	III	I	0	0	0
	No TO Intervention for 3 days (baseline)			TO Implemented
